Readability

- The 5x8 TekStar sign allows you to have 1 to 4 rows of text. So you can have 4 rows of text at 5.5 inches high per row or 1 row of text that is 25 inches tall.
- For example, if you have people going by the sign at 55 mph, it would take them 5 seconds to read letters that are 8 inches tall. The recommended minimum reading time is 5 seconds.

Duration of Readability
